**Note we will have vintage hats and shirts available this year.**

By signing this entry and paying your reasonable entry fee you agree to ride safe and not do anything stupid on your motorcycle to embarrass the promoter or the sport of motorcycling.

*Promoter is lazy by design and may make decisions to make it easy on the old guy. Can we all just have fun?*

**Entry Deadline is 150 entries or no later than October 1, 2026**

All entries received by the deadline will be eligible for some silly drawing.
