USA

Dear Mr Champion

Further to your enquiry at our stand in Atlanta last month.

Our Librarian has found the following information:

'John Moore & Sons at 38 Clerkenwell Close, London formerly partner of G Handley until 1820 from 1801. John Moore Junior 1821-37 then John Moore & Sons 1838-1875. Church, turret and house clockmakers. Made 15,180 house clocks by 1877 and continued to 20th century with a possible change of name. No other information'.

Yours sincerely

Margaret Rae  
Administration
